The Massachusetts Sober Housing Corporation (MSHC) is a non-profit corporation whose mission is to provide sober housing for individuals in recovery from alcohol and other drug addiction. The housing model we utilize is Oxford House, which has been the most successful nationwide sober housing model and which is based on three simple principles:

1. The house must be self-run on a democratic basis.
2. The house must be financially self-supported.
3. Any resident who drinks alcohol or uses drugs must be immediately expelled.

MSHC will be purchasing houses throughout Massachusetts so that men and women in recovery can live in comfortable, affordable houses in good neighborhoods and benefit from the peer support of others in recovery that is so important to maintaining sobriety. We currently own 5 houses—in Hyde Park, New Bedford, Springfield Plymouth and Chelsea, where we serve 50 individuals.

Proceeds from the Swing for Sobriety Charity Golf Classic will be used to continue our mission.
